

FUNDRAISING FOR THE RAF100 APPEAL

Firstly, thank you! Thank you for choosing to get involved with the RAF100 Appeal and for helping us to raise money for the RAF Family, and create a lasting legacy as we celebrate 100 years of the Royal Air Force.

We've created some materials to help you with your fundraising and to give you some inspiration, so hopefully after reading the below you'll be raring to go!

FUNDRAISING IDEAS

Whether you are looking for ideas to raise money at work, school or in the community, you'll find some inspiration here...

Dress down day – why not organise a dress down day at work or school and ask everyone to donate £1 to take part?

Bake sale – make yummy treats and ask people to donate if they want to taste them

Coffee morning – take the opportunity to raise money for a good cause and catch up with your friends or work colleagues at the same time

Take on a challenge – whether its running 10K, jumping out of a plane or staying silent for a day, take on a challenge and ask people to sponsor you

Games day – organise a mini office Olympics, or a five-a-side football tournament, asking people to donate to take part and offering a prize to the winners

Quiz night – host a quiz and challenge your family, friends and the local community to take part

Head shave – raise money by shaving your head or beard!

SPREAD THE WORD

Plan your event or fundraising idea, then make sure you tell everyone about it and gain as much support as possible.

We have created some posters which you can print out and display to let people know what you're doing and how they can help.

Let us know on social media what you are doing to show your support to the RAF100 Appeal:
